Reproduction

Individual readers or nonprofit organisations are permitted to make fair use of the material in this annual report, such as copying an article for use in teaching or research. Permission is granted to quote from this annual report with the customary acknowledgment of the source.

Editorial Note (HASYLAB)

The authors of the individual scientific reports published in the HASYLAB annual report (part I and II) are fully responsible for the contents.

We kindly request your comprehension as pertains the adaption of the layout of contributions to our requirements (without changing the contents). Although we tried to take care of any errors caused by the electronic submission of the contributions, we cannot fully exclude this possibility.

Frau Aggi Schaper, Frau Astrid Schmidt und Frau Susanne Weigert sei ein besonderer Dank gesagt für die freundliche Erledigung aller Sekretariatsarbeiten während des ganzen Jahres, aber besonders für den Einsatz in den Tagen der Fertigstellung dieses Jahresberichtes.
